3 Bedroom, 2.00 Bathroom, 1,176 sqft

Residential on 0.06 Acres

N/A, Staten Island, NY

Welcome to this beautifully maintained three bedroom and two bathroom home in the heart of sought after Bay Terrace. The home is set on a pristine and quiet block with a short distance to prestigious school, two blocks from all public transportation and nearby shopping. On the main floor there is a large living room and dining room, a large eat in kitchen with Pella sliders out to the rear private yard, which has a pool, deck and patio space, perfect for entertaining your guests or just to enjoy your favorite beverage in the sun. The kitchen has been upgraded with SS appliances and quartz countertops. Upstairs, there are three bedrooms and a full bathroom. The entire house has excellent natural light exposure. The attic space has flooring and is great for extra storage space. The main floor and 2nd floor have hardwood floors throughout as well. In the basement area, you will find it was newly renovated with all custom tile, overhead lighting and a new full bathroom. There are large, above-grade windows which allows the sunshine to pour in. This space is perfect for your overnight/short term guests, or used as an additional entertainment area. There is also a large laundry and storage room for your convenience. The home has recently been upgraded with a new roof, windows and furnace. This is your opportunity to make this house your home in one of the most desirable areas on Staten Island.
